

GRIMES PUBLIC LIBRARY DISPLAY POLICY

Grimes Public Library provides, at its discretion, limited space for the display of public interest announcements and information. Inclusion or exclusion of an item in the Library's display space does not represent endorsement by the Library. All display items must be approved by the library director or their designee in accordance with the guidelines below. Exceptions may be made for items that benefit Grimes Public Library, organizations that partner with the Library, and the City of Grimes.

- Items for display are accepted on a first-come, first-serve basis, as space allows.
- No item will be permitted which advocates or solicits consideration of a for-profit product, service, or business.
- No item will be permitted which advocates or solicits support of a political party or candidate, or doctrinal belief.
- No item will be permitted that solicits or collects monetary donations or personal information.
- Items may be removed and discarded by library staff if not approved by the library director, after 30 days, or after the event date has passed.

The Library assumes no responsibility for the preservation, protection, or possible damage or theft of any item displayed. All items placed in the Library are done so at the owner's risk.

Approved by the Grimes Public Library Board of Trustees: 09/00; 01/13; 11/15, 03/18; 1/22; 04/25
